# Lost River Fire Management

Lost River Fire Management is a multi-faceted forestry service company, incorporated in 1995 to help fill the niche created by federal downsizing. It is a Federal 8M woman-owned company in which on-site operations are conducted under the supervision of its president, Claren Nilsson, to ensure the highest job quality.

### SPECIALIZING IN:

- Prescribed Fire
- Burn Plan Writing & Implementation
- Fire Suppression Crews
- Ecosystem Management & Restoration
- Professional Forestry
- Logging
- Right of Ways
- Hazardous Tree Removal
- Flagging and Traffic Control
- Heavy Equipment
